Clean, organized, and luxurious

Please give a brief description of your business: (What type of products or services does your company supply? etc...)

Scents by Kalieba is a company dedicated to providing ambient scenting for homes and businesses. We sell diffusers and essential oils. For homes we sell the diffusers, and for business we provide a monthly service where we go once a month to refill the oil and and do the maintenance for the diffuser.

Do you have any specific design, preferences? If yes, please mention a reference: (If you have any particular likes or dislikes regarding any competitor's website etc.) *

I would like for our website to be elegant and classy. Not complicated and to the point so that our clients are able to navigate through it with ease.
